A WORD FROM RU

Greetings to everyone!

Another busy month preparing for ILTM and of course 2024 planning with our partners - we're almost there and there is lots of new developments in the offing so keep an eye out for announcements...!

We welcomed **Nurai Island** to the family this month - a stunning 42 villa only luxury resort off Saadiyat Island in Abu Dhabi - the new owners have been putting their "touch" on it and have recently launched their new butler service plus fresh F&B outlets. A remarkable property on the only natural island in the region.

Some awards for our hotels too of course, congratulations to everyone! A lovely way to end the year.

This is our last newsletter of the year so it just leaves me to say THANK YOU to you all for your support this year - we could not do it without you and we are always grateful. We all wish you and your families a wonderful Festive season and see you in 2024!
