IF WE HAD TO DESCRIBE ONLY YOU HOTEL VALENCIA IN 5 WORDS, THEY WOULD BE...

THE BEST HOSTS IN TOWN.

This five-star experience is located in the historical centre of the Turia's city, near to the well-known Plaza del Ayuntamiento. Designed by the famous interior designer Lázaro Rosa-Violán who was inspired by the Mediterranean Sea, means that every corner of the hotel has colours and textures that are intended to transport the visitor to the seashore, influenced by the Valencian artist Joaquin Sorolla.

The idea was to design a contemporary, casual, and eclectic environment.
