
A PORTUGUESE PARADISE...

Surrounded by tropical landscapes and a tranquil ocean, Savoy Signature's Saccharum provides a holistic hotel experience, emanating a solid wellness mentality. The spa and infinity pool are indulgent places to dive into relaxation as you enjoy Madeira Island's idyllic scenery.

Seven restaurants and bars provide delightful service, whether you're soaking up the sun by the pool or enjoying an intimate meal in the Alambique Restaurant.

The hotel's stunning interiors are designed by renowned Portuguese interior designer Nini Andrade Silva. The inspiration for decoration is Saccharum's translation from Latin sugar cane, a plant brought to the island in 1425 and consequently brought great development and profit to the land. Saccharum celebrates the island it inhabits and the peace and relaxation it brings guests. It is a truly blissful destination which must be explored by those who seek a transcendental island experience.

ALAMBIQUE

Alambique's new menu celebrates flavour and tradition while also embracing a commitment to sustainability and well-being. At the heart of Alambique, we always honour the roots of Portuguese cuisine, respecting the flavours and techniques that have endured for generations. The restaurant incorporates local ingredients and sustainable practices to create an experience that nourishes not only the body but also the soul.

ENGENHO

Engenho is an incredible buffet restaurant overlooking the ocean. A range of dishes for breakfast, lunch and dinner, as well as a great diversity of flavours ranging from the Mediterranean to the island's traditions.

Light meals and al fresco dining on the 8th floor surrounding the incredible infinity pool. Designed to enhance memories.

FLY LOUNGE BAR

Soaring over the Saccharum beach resort, Fly Lounge Bar is the bar that stands between the ocean's wide view and the steep mountain's luscious green. The lounge is a sophisticated space designed for incredible sunsets and unforgettable evenings.

CALHAU BEACH CLUB

The Calhau Beach Club is the meeting point for one of the best sunsets on the island. Located by the sea in one of the most charming areas on the edge of Calheta, Calhau Beach Club is the meeting point for one of the best sunsets on the island. Embraced by Saccharum's design hotel vibe and right on the beach, this spot is guaranteed to be fun in a cosy atmosphere full of exoticism.

RHUM BAR

The spirit of Madeira Island’s nightlife: the Calheta old sugar cane distillery produced some of the island's finest rum.

This rum scented and moved a vibrant nightlife and an inspired music scene that Madeira Island is still known for. This spirit is present in the bar and can still be felt in the evenings of live music and signature cocktails.

GARAPA BAR

Garapa serves fresh food, juices, and cocktails because sometimes there are no reasons to leave the pool.
