SAVOY HOTELS & RESORTS SINCE 1912 *signature*

Savoy Signature's newest hotel, The Reserve, is delighted to offer a remarkably personalised service available to all guests. This unparalleled service is designed to anticipate and accommodate all requests and requirements of esteemed guests, contributing to a truly luxurious and bespoke experience, no matter the occasion.

Whether you’re seeking a romantic getaway, a memorable holiday, or a luxurious work retreat, The Reserve is the perfect destination. The boutique hotel has 40 sea-view rooms, ranging from deluxe suites to larger suites with private pools.

Immerse yourself in luxury, comfort, and natural beauty whilst creating memories of the idyllic Madeira Island which will last a lifetime.

At The Reserve, every detail is carefully curated to create a truly exceptional stay. From the moment your booking is confirmed at this premier hideaway, you are connected with your own **GEPA** (The Reserve's acronym for Guest Experience Personal Assistant), via Email and WhatsApp, which tailors and prepares the stay to the guests' specific requests and requirements prior to arrival.

To ensure a seamless visit, guests staying at The Reserve and Savoy Palace can enjoy the signature private car service (for an extra fee) upon arrival and departure at Madeira International Airport, allowing for a smooth and hassle-free transition and being the perfect addition to the meet & greet service at the airport, which is complimentary to all guests at The Reserve on both arrival and departure. A limousine transfer can also be provided at a cost.

Once guests arrive at the hotel, a dedicated private elevator will take them from the street-level lobby to the 16th floor of the Savoy Palace building where guests will find the Jacarandá Club – the heart of The Reserve. Here guests will find a stunning rooftop pool, offering a panoramic view of Funchal, exclusive to The Reserve guests, which further enhances the already VIP experience.
